Golf Club

*Fixtures Guide 2018*

## *A Word From The Captains*

**Lady Captain  
Betty Duffy**

**Captain  
Dan Cunningham**

*Dear Member,*

*We would like to extend a warm and sincere welcome as your Captains in 2018. We are looking forward to acting on behalf of all our members and we are sure it is going to be a great experience. We would welcome any suggestions members may have and would ask you to participate fully in the spirit of the club by supporting our committees, competitions and social nights. We would ask you to support our sponsors in recognition of their commitment to us.*

*Our appreciation is extended to the members of the club who will serve on the Mens and Ladies Committees and we wish the best of luck to those who will represent the club in various competitions. We hope that you achieve at least some of your golfing ambitions in 2018, but above all you will have fun playing the great game.*

*We wish you good health, happiness and look forward to meeting you in the coming year.*

## GOLF IS A GAME OF HONOUR

Golf is a game of honour. Players must ensure the score given to their marker is correct. The marker must ensure the score signed for is correct.

After each hole the marker should check the score with the competitor and record it. If the competitor gives an incorrect score or does not include a penalty that the marker knows was incurred, then the marker should notify the player and the score should be agreed. If the player and the marker cannot agree they must obtain a ruling from the Committee before they sign and return the score card.

### *Player's Responsibilities:*

- To know the rules of golf.
- Ensure his/her correct handicap is recorded on the card issued to him/her by the Committee. Playing off a higher handicap results in disqualification
- On completion of the round, to check his/her score for each hole (Rule 6-6B)
- To settle doubtful points with the Committee (Rule 6-6B).
- To ensure that the Marker has signed the card (Rule 6-6B).
- To countersign the card himself/herself (Rule 6-6B).
- To return the card to the Committee as soon as possible (Rule 6-6B).
- To enter card into computer when in use.
- Breach of rule 6-6B results in disqualification.

## GOLF IS A GAME OF HONOUR

- The player should record the stableford score for each hole where applicable.
- The player should fully complete the required totals (front/back nine & total) before returning his/her card to the committee.

### *Marker's Responsibilities:*

- After each hole to check the score with the player and record it (Rule 6-6A), including any penalty strokes.
- On completion of the round, to sign the score card and hand it to the player.
- To record the gross score taken by the Player for each hole.
- To sign the card and hand it to the Player on the completion of the round.
- Every effort should be made by the marker to record the stableford points for each hole where applicable.

COMPETITIONS***

*9 and 18 Hole Competitions - Mondays at  
10am with the exception of Bank Holidays  
July & August*

***JUVENILE COACHING***  
*Watch Notice Board for details*

## REGULATIONS FOR LOCAL COMPETITIONS

In order to ensure that all competitions run smoothly, the Committee of Castle Barna Golf Club requests that all members fully observe the following regulations:

1. All members should note that it is the policy of the Club to draw cards on the day of a competition. Final starting order rests with the competition stewards. Members should return 3 cards from Qualifying Competitions to retain handicap each year.
2. If a player has their name on the time sheet and is unable to play, he/she must contact the Club and scratch himself/herself from the time sheet. The Committee reserve the right to alter dates and conditions if necessary.
3. All players should attend the clubhouse and identify themselves to the competition stewards sufficiently in advance of their slot on the time sheet, to allow for the drawing of cards and other preliminary and/or discretionary activities.
4. Players who turn up late for their allotted slot or who do not have their name on the time sheet will be accommodated at the discretion of the competition stewards, if time permits.
5. All players shall pay their entry fees before commencing play.
6. All players shall be fully prepared to play and be present at the 1st tee at least 5 minutes before their allotted start time.
7. Players, competing in any competitions of greater duration than 9 holes, when passing the clubhouse may not use it for refreshments, but merely to refresh, during their progress through the event.
8. No player should mark his/her own scorecard.

9. Cards should be marked on a hole-by-hole basis as the round progresses. To facilitate checking of cards for competition results, the committee requests that all cards are fully completed and totaled according to the type of competition played.
10. Players shall check, verify and sign their cards after completing their round, prior to entering the clubhouse. Players are fully responsible for the correct completion of their cards in qualifying competitions. Non returns will automatically receive .1 back. Any more than 3 non returns in a calendar year results in the players' handicap being liable to suspension at the handicaps committee's discretion.
11. Players are responsible for entering their scores into the computer (if it is in use), and putting their cards into the competition scorecard box.
12. Players should complete any competition they enter. They may not retire without good reason and consultation with their playing partners. In the event of a player retiring he/she must return their score card.
13. **Smart dress is essential both in the clubhouse and out on the course. Dress may be casual, but must be clean, neat and tidy. The following items of dress are unacceptable at any time in the clubhouse or out on the course:**
  - Singlets, vests and tee-shirts.
  - Sweaters without shirts.
  - Untailored shorts, e.g. football or beach shorts.
  - Gentlemen wearing shorts must wear socks.
  - Garments displaying offensive slogans.
  - Denims when playing in club competitions.
14. Players should observe the etiquette of golf at all times. Players are prohibited from using mobile phones on the golf course.

## ETIQUETTE OF GOLF COURTESY ON THE COURSE

### SAFETY

Prior to playing a stroke or making a practice swing, the player should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs or the like which may be moved by the stroke of swing.

### CONSIDERATION FOR OTHER PLAYERS

1. The player who has the honour should be allowed to play before his opponent or fellow-competitor tees his ball.
2. No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
3. No player should play until the players in front are out of range.

### PACE OF PLAY

1. All players should show courtesy to fellow members by avoiding slow play.
2. Your place on the course is immediately behind the group in front, not immediately in front of the group behind.
3. If a player believes his ball may be lost outside a water hazard or out of bounds, to save time, he should play a provisional ball.
4. Players searching for a ball should signal the players behind them to pass as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. They should not continue play until the players following them have passed and are out of range.
5. When the play of a hole has been completed, players should immediately leave the putting green.

6. If a group fails to keep its place on the course and loses more than one clear hole on the players in front, it should invite the group following to pass.
7. If you are held up in slow play don't wait for it to become a logjam on the course.

Contact the Club House and report the problem as early as possible to the Course Manager, Kieran Managan or reception staff.

## **PRIORITY ON THE COURSE**

1. In the absence of special rules, two-ball matches should have precedence over and be entitled to pass any three - or fourball match, which should invite them through.
2. A single player has no standing and should give way to a match of any kind.
3. Any match playing a whole round is entitled to pass a match playing a shorter round.

## **THE SPIRIT OF THE GAME**

Unlike many other sports, golf is played for the most part, without the supervision of a referee or umpires. The game relies on the integrity of the individual, to show consideration to other players and to abide by the rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be; this is the spirit of the game of golf.

## **COMPLAINTS**

All signed written complaints concerning matters under the jurisdiction and control of the committee of the club concerned shall be primarily referred to the Honourary Secretary of that club who, if unable to resolve same, shall place the complaint on the agenda for the next meeting of the committee of such club for investigation and decision.

## **HOLES IN BUNKERS**

Before leaving a bunker, a player should carefully fill up and smooth over all holes and footprints made by him/her.

## **REPAIR DIVOTS, BALL-MARKS AND DAMAGE BY SPIKES**

A player should ensure that any divot hole made by him/her and any damage to the putting green made by a ball is carefully repaired. On completion of the hole by all players in the group, damage to the putting green caused by golf shoe spikes should be repaired.

## **DAMAGE TO GREENS - FLAGSTICKS, BAGS, ETC.**

Players should ensure that, when putting down bags or the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, in handling the flagstick or in removing the ball from the hole. The flagstick should be properly replaced in the hole before the players leave the putting green. Players should not damage the putting green by leaning on their putters, particularly when removing the ball from the hole.

## **GOLF CARTS**

Local notices regulating the movement of golf carts should be strictly observed.

## **DAMAGE THROUGH PRACTICE SWINGS**

In taking practice swings, players should avoid causing damage to the course, particularly the tees, by removing divots.
